Humana®

Extended annual maximum

Unique solution for extended coverage

Included only in the Premium (PPO) & Enhanced (TRP) Dental Plans

With Humana's **Extended annual maximum**, employees won't have to put off important dental care procedures for themselves or their covered dependents.

Extended annual maximum is available immediately after the annual maximum for a plan is reached, and there's no cap on the dollars paid in a year. That's an attractive advantage over traditional rollover options.

Extended annual maximum helps employees save money by ensuring they have access to network discounts and 30 percent coinsurance, even after they have reached their annual maximum. Employees can achieve and maintain their best health by getting dental care when it's needed, before oral health issues may affect their overall health and well-being.

Plus, the **Extended annual maximum** is a great way for groups and employees to buy down their annual maximum or coinsurance, or adjust plan deductibles and their out-of-network reimbursements.

30% coinsurance coverage after network discount and maximum benefit is reached

Uniquely different from traditional rollover plans:

- No need to delay care
- No paid claims thresholds
- No dollars to roll over
- No provider restrictions
- No mandatory claims submissions
- No need to track annual usage

Extended annual maximum advantages:

- **Simple** - all employees and their dependents have the same benefits
- **Easy** – the plan is easy to describe and administer
- **Immediate** – employees can use the benefit beginning day one
- **Available** – included in all Traditional Preferred (Plus) and PPO plan groups of two or more
